Navigating and Using Discord

Our server has various channels dedicated to different topics. Here's a quick overview:

Channels	
Text Channels	These are for text-based conversations. Simply click on a channel to view and participate.
Voice Channels	These allow for voice chat. Click on a voice channel to join the conversation.

Responding and Posting

You can directly respond to existing posts in a channel by typing your message in the text box at the bottom and hitting enter. To start a new discussion, make sure to post in the relevant channel to keep conversations organized. For example, any queries regarding plant guilds in the #food-forest channel and general chat in the #general chat-channel.

Events

We regularly host events such as Q&A sessions, and more. Keep an eye on the #events channel for announcements and details about upcoming activities. Participating in these events is a great way to get involved and meet other members of the community.

Basic Commands and Features

- **@Mentions**: Use @username to mention someone specific. They will receive a notification.
- **Direct Messages (DMs):** Click on a member's name and select "Message" to start a private conversation.
- **Reactions**: Hover over a message and click the emoji icon to react with emojis.
- **Roles**: Roles are assigned to categorize and manage channel permissions. If you paid for Premium Membership and don't have access to Premium channels, contact us immediately.

Etiquette and Rules

- Be respectful and considerate to all members.
- Follow the server rules as indicated in #rules channel, and specific rules as outlined in the channel descriptions or pinned messages.
- If you encounter any issues or need assistance, feel free to reach out to admin.

Thank you for being part of our community. We look forward to engaging with you and creating a vibrant and supportive environment. If you have any questions or need further assistance, please don't hesitate to contact us!

Welcome aboard!
